Reflections of nature

Exceptional characters grow over time, organic, to the rhythm of nature. The resulting strength and beauty, are reflected in the PureLoc collections of BerryAlloc.

These reflections of pure beauty provide every interior with an authentic luxurious feel.

The PureLoc and PureLoc Pro collections offer a wide variety of decors with top finishes: matt look, micro-bevel, realistic wood structure,... They are easy and quick to install, thanks to the genius locking system.

PureLoc. follow your intuition and choose the floor that is purely you.

BerryAlloc

Thanks to its excellent quality, comprehensive and innovative range and extensive service the BerryAlloc Group has grown into an international player and highly rated interior and decoration specialist for both residential and commercial projects. Not just with vinyl planks but also with laminate, parquet and wall panels. BerryAlloc is about passion. The passion to provide you with the best of the best. And the passion to consciously strive towards a greener and more sustainable world, both in our philosophy and actions.

Durable floors, quick and easy to install

The PureLoc floors are an esthetic answer to **durable comfort**.

Luxurious, refined and of excellent quality.

Easy to install: thanks to the **locking system**: the boards are locked together, ready to use.

Our PureLoc **superior wear layer** protects your floor from the many assaults unleashed on it during a busy day.

With its thickness of only 4 or 5 mm, PureLoc is an **excellent solution for renovation**.

The boards are easy to install over your existing floor.

The pleasant feeling of warmth and silence

PureLoc is a **quiet floor**: the vinyl provides a soft sound when walked on.

Our floors are a **100% recyclable**, in all aspects, one with nature.

PureLoc touches the senses. Not only are our decors a delight on the eye, they also **feel warm and cosy to your feet**.

They have a low heat resistance, which makes them an ideal fit with floor heating.

Also suited for wet rooms

PureLoc floors are **water resistant**, so also suited for bathroom and kitchen

and **easy to clean** with water and standard cleaning products.

All our PureLoc floors are hygienic, thanks to the **polyurethane top layer**.

PureLoc is **anti-static and anti-slip**.

PureLoc

Every pattern, every color, every nuance of nature is different and defines the environment around you. Our collection of 20 PureLoc decors inspires to do the same by giving you a wide choice in colors to enhance the beauty of every room in your home, for you to enjoy, for many years to come.
